Great investment rates for individuals & churches

Want to invest responsibly and still earn a solid rate of return? Then look no further than the Cornerstone Fund! Our interest rates often exceed those at the local bank — and even better: your investment helps to build the ministry of the United Church of Christ. With investment options that range from highly liquid money market-type accounts to five-year Notes, the Cornerstone Fund has an investment to suit every kind of investor — from kids saving for a new bike to retirees looking to maximize their investment income. Call or visit us online to check out the latest rates, and learn how a Cornerstone Fund investment can enhance your portfolio while helping build the United Church of Christ.
